TC31 - Manifesting Money to Fulfill Your Dreams & Visions

Sunday, June 11
10:00 AM - 12:00 PM PST

Many people believe that they need a certain amount of money before they can begin to fulfill their dreams and visions. Yet, often, that belief is what's holding them up from manifesting other aspects of what they need to reach their goals. That's why we saved teaching you doing energy work to heal your ability to manifest money to the last class in this series. By the time you learned to heal the other aspects of your creative manifestation abilities, you'd have worked on many factors which have directly and indirectly affected your ability to manifest money. Now, you can more readily work on your money manifestation ability itself. And remember to have fun!
