Christmas Now!

Celebrating Your Expression of The Christ in This World

Dear SHAPE Community & Graduates of Clairvoyant Programs, AHA! & Our Psychic Tools & Life Mastery Practices Course,

Ho-Ho-Ho! 'Tis the season to be jolly... and—jolly or not—what a year it has been! It's a great time to remember that our theme for this year has been: Compassion ❄️ Communication ❄️ Cooperation ❄️ Creation. If you've been Keeping Your Sight on God, Establishing Your Space, and Transforming The World, you've discovered more of The Joy of Being Your True Self. You've all gone through a prodigious amount of learning, healing, growth, and transformation this year. Congratulations! You are truly a sight for sore third eyes. I am delighted and ever grateful that each of you is shining so brightly in this world. Whether you think so, the world certainly needs more of you.

As many of you have kept closer tabs on your havingness this year, you may have noticed that as your havingness steps up, the world's

havingness doesn't seem to step up nearly as much or as quickly. That's because you're all here to step up the pace. You could say you're each a kind of trend-setter. You may not be the trend-setter that goes viral on social media, but you're a trend-setter no less. It's just that the trend you're setting here is being more aware and having more of life as spirit. You've been avoiding the Holiday Rush all year by being ahead of the curve. You don't have to wait for December to have Christmas Now!

How then do you have Christmas Now? Any time you celebrate your expression of the Christ here is having Christmas now. You can only have Christmas in the present. Hmm... maybe that's why Christmas is present time! We celebrate that the Christ was sent (Christ-mass/missa) into the world. That would make Christ the gift, wouldn't it? When you are giving whatever kind of gift to others, you are sharing the Christ within you. Your creative expression, communication, and sharing dissolves the false barriers between you and others to reveal more of the undivided beingness of spirit that you and the others are.

Christmas Now!

Celebrating Your Expression of The Christ in This World

Compassion brings about the permission and space for communication. Communication allows for cooperation between those who were separate before. Cooperation between parts of the whole is necessary for creating anything new. Even as an individual, you can't manifest anything new creatively when you are scattered or divided within yourself. A group of separate individuals going every which way cannot create in cooperation to attain a common goal.

So for our SHAPE Remote Christmas Celebration Weekend Intensive for this year, you'll get to step up your havingness for the gift of the Christ even more! We'll explore further what it means to celebrate your expression of the Christ within you with the world around you. You'll also look at how you can go about not only being the life of the party but also a trend-setter for living your soul life more fully. One hint: It takes great havingness and imagination to create your own way of expressing your celebration of the inner Christ Life in the outer world.

Remember, we'll also graduate all of you who have dedicated yourselves to completing the entire 2021 SHAPE Clairvoyance and Trancemediumship Mastery Course. As promised, during the October SHAPE Retreat Intensive, we'll complete the initiation process that you've all been undergoing as well, to prepare for your next steps in 2022.

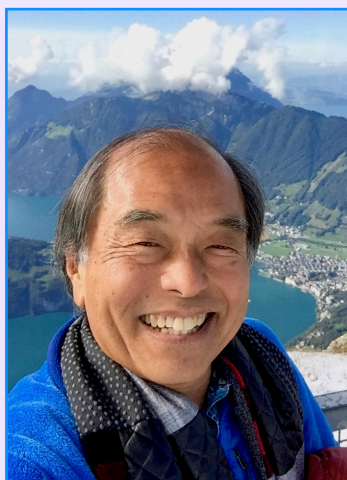

Preparation for this weekend intensive could begin with appreciating yourself and the gift that you are in this world. Remember not to base the true worth of what you have to share on what anyone thinks of it. The value and power of your gift are integral to the gift itself. How's your havingness of that now?

It's a good time to collect up all your havingness, amusement and enthusiasm that you gave away to those who couldn't quite have them and give them all back to yourself. Better yet, create a whole bunch more for yourself! 'Tis the season to be jolly... Ho-Ho-Ho!

Bring your jolliness, ho-ho-ho's, and good cheer. Be ready to belt out some Christmas songs. We're looking forward to seeing all of you together once more (even if you're in the little boxes on the Zoom screen). Until then, take care of who you are.

May the Christ in You Awaken Evermore Joyously and Peace Be With You Always.

With gratitude, love, and unstoppable laughter,

Michael
