***Joy To The World!***  
Celebrating The Creator in The Created

***Dear SHAPE Community & Graduates of Clairvoyant Programs,  
AHA! & Our Psychic Tools & Life Mastery Practices Course,***

A Most Joyous Holy Days to each and every one of you!

Regardless of what is happening in the world around you at any time, it is in this very moment now that you are able to step out of time and truly live in Spirit. In a sense, that may be what is meant when someone invites us to "pause for a moment of silence or prayer." It is when you "pause" from the rushing whitewaters of the river of time that you find your space to be on earth as you are in heaven. And in that moment of Eternity, you will find the limitless joy of everlasting peace and unconditional love. Here is the altar before the Holy of Holies.

In America, traditionally, Thanksgiving Day signals to us the beginning of the season of the Holy Days. Holidays, of course, serves to remind us of what is Divine and they invite us to pause and reflect, to meditate, and turn our awareness inward and celebrate Spirit and all that it is. It is in prayer that we discover what and how to express what we experience as our truth and our life outwardly in the world. In prayer, we begin to acknowledge and celebrate our Creator within us. We are the created made in the image and likeness of the Creator. As we do, we discover that we are indeed the light of the world and that we bless the world with our joy with our every breath.

For the 2022 SHAPE Christmas Celebration Weekend, our final intensive and event of this year's SHAPE Mastery Course, and in honor of each of your profound learning, accomplishments, and growth, we chose to celebrate Our Creator in each of us, the created, and bless the world with our joy. We would love to have you all join us for this joyous celebration and learning experience! It would certainly be a magnificent way to get together in our virtual classroom to launch the season of Holy Days on the weekend immediately preceding the beginning of Chanukah and the week leading up to Christmas Day.

As you are well aware, this is the time in human evolution when everyone needs to 'come out' from whatever closet they've been hiding themselves in. Remember, you don't light a candle and hide it under a basket. You have to put it on a candlestick and then it can light up the whole room. You are the light of the world, so you can't be in any closet—you have to light up the world with your joy. So, in this remote weekend intensive, we'll explore what it means to have and celebrate The Creator within us and what it means to be and celebrate ourselves as the created light of the world. You will get to probe more deeply into that intrinsic joyousness of eternal life and what you have to be, do, and have to celebrate and share that joy in the world in your own unique ways. You'll also re-examine your relationship with The Creator, the God of Your Own Heart, Your Source of Life and make whatever course corrections you discover that you need to make to head to your ultimate destination.

During the weekend intensive, we'll continue our tradition of graduating those of you who have dedicated yourselves to completing the entire 2022 SHAPE Clairvoyance and Trancemediumship Mastery Course. Remember, that means you've at least acquired all 33 Tele or Zoom Classes, March Weekend Intensive, 2 Retreat Intensives (June & October, each with a Pre-Retreat and Post-Retreat Tele or Zoom Seminar) and the upcoming Christmas Celebration Weekend Intensive. If you're interested in graduating and receiving your certificate of completion for this year's SHAPE Mastery Course, but discover you are missing a few classes or events to qualify, you can still contact our office

and purchase those specific audio downloads to complete them on your own at a later date.

I am also absolutely delighted that I will be able to unveil the official title and direction for your 2023 SHAPE Clairvoyance and Trancemediumship Mastery Course, during this final SHAPE Weekend for the year. Woo-Hoo! The preparations for next year's course have already been under way both on earth and in heaven! You may be noticing the first rumblings of a new level of joyous learning and light already in your life.

And, yes, it IS the season to be jolly regardless of all the ups-and-downs of life—yours and anyone else's—here in the world. So, in preparation for our upcoming SHAPE Christmas Celebration Weekend Intensive, tune-up your merriment, raise your havingness in overall jollification, and reflect upon the relationship you now have with your Creator! Of course, stay grounded, centered, and neutral, while you explore magnificent new worlds. A mega-ton of amusement wouldn't hurt a bit, either!

We're so looking forward to our joy-filled virtual gathering and sharing the exploration of brave, new frontiers with you all!

May the Truth Set You Free and God's Never-ending Love Give You Wings to Soar!

With gratitude, love, and joyous laughter,

*Michael*
